HADHRAT MUAWIYA (RADHIALLAHU ANHU)

Katib-e-Wahy and Brother-in-law of Rasulullah (Sallallahu alayhi wasallam).

Concerning the Writers of Revelations Allaah says:
"Written on honoured pages,
Exalted, purified,
By hands of Scribes, honoured, righteous". (80-13\14\15.)
Rasulullaah (Sallallahu alayhi wasallam) said about Hadhrat Muawiya (Radhiallaahu anhu):

Oh Allah, make Muawiya a guide(for others),one who is himself rightly guided and a means of guidance for people.

Oh Allaah, teach Muawiya accounting and protect him from the punishment of Jahannam.

Oh Allaah, teach him the Quraan, grant him a strong hold upon the lands and save him from the torment of Jahannam.

Call Muawiya and present the case before him because he is very authoritative (in counselling) and trustworthy.

Oh Allaah, fill him with knowledge.

The first army of my Ummat to engage in a battle at sea will make Jannat compulsory upon themselves.
Hadhrat Muawiya (Radhiallaahu anhu) was the Chief Commander of the first naval fleet in Muslim History which sailed for Qubrus on 27 AH.

Hadhrat Muawiya (Rahdiallaahu anhu) in the eyes of the Sahabah (Radhiallahu anhum ajmaeen))

Hadhrat Umar (Radhiallahu anhu) said:

You praise the Kaiser, the Cosroe and their knowledge and dexterity whereas in your midst Muawiya is present.
Speak only favourable things of Muawiya because I have heard Nabi (Sallallahu alayhi wasallam) supplicate in his favour. Oh Allaah! guide others by means of Muawiya.

I have not found another more worthy of ruling than Muawiya.

Hadhrat Sa'ad bin Abi Waqaas (Radhiallahu anhu) expressed:

I have not seen anyone more decisive after Uthman than Muawiya.

Hadhrat Qabiusa bin Jabir (Radhiallaahu Anhu) said:

I have not seen anyone who is more tolerant than Muawiya, neither anyone more worthy of governing, nor anyone more dignified, soft hearted or more magnanimous than he.

Hadhrat Abu Darda (Radhiallaahu anhu) said:

I have not found anyone's salaat so similar to Nabi's(Sallallahu alayhi wasallam) salaat than that of Muawiya's.

Hadhrat Ibn Abbaas (Radhiallahu anhu) stated:
He is definitely a Jurist himself.
Verily Muawiya was honoured with the companionship of Nabi(Sallallahu alayhi wasallam);therefore objecting to him is worthless.
Oh my son! Whatever Hadhrat Muawiya has done is correct for there is none amongst us more learned that he.
I have found any one more deserving and capable of sovereignty than Muawiya.
